

TALK Foot & Ankle

with NationalRad's Specialists

When you have a foot and ankle patient you need to discuss,
call one of our foot and ankle rads.

THEY SPECIALIZE IN IMAGING AND DIAGNOSIS OF THE FOOT & ANKLE

MEET A COUPLE OF OUR FOOT & ANKLE EXPERTS

+ TIMOTHY G. SANDERS, MD, MEDICAL DIRECTOR, MUSCULOSKELETAL RADIOLOGIST

Dr. Sanders specializes in imaging of the foot and ankle. He has written numerous publications on imaging of foot and ankle conditions and injuries throughout his career and lectures to foot and ankle specialists and podiatrists regularly. Dr. Sanders is an assistant professor of radiology and nuclear medicine at the Uniformed Services University of the Health Sciences, F. Edward Herbert School of Medicine and a manuscript reviewer for several organizations and publications, including the *Journal of Bone and Joint Surgery (JBJS)*.

+ WILLIAM B. MORRISON, MD, MUSCULOSKELETAL RADIOLOGIST

Dr. Morrison specializes in imaging of the foot and ankle, especially of the diabetic foot. He is well published in the area of foot and ankle imaging and diagnosis and is a frequent lecturer to orthopaedic surgeons on the subject. Dr. Morrison is a professor of radiology and director of musculoskeletal radiology at Thomas Jefferson University Hospital and sits on a number of expert panels and committees, including the Society of Skeletal Radiology (SSR) Executive Committee and the American College of Radiology (ACR) Musculoskeletal Radiology Review Panel.
