

Gary J. Felsberg, MD Neuroradiologist

BACHELORS DEGREE: Boston University

MEDICAL DEGREE: Boston University School of Medicine

DIAGNOSTIC RADIOLOGY RESIDENCY: State University of New York at

Stony Brook / Nassau County Medical Center

NEURORADIOLOGY FELLOWSHIP: Duke University

AREAS OF INTEREST: Brain tumor imaging; Imaging of seizure

disorders; Neuroradiology, particularly head and neck imaging; Pediatric

neuroimaging; Spine imaging

CERTIFICATIONS: American Board of Radiology; Certificate of Added

Qualification in Neuroradiology

PROFESSORSHIPS: Associate Professor of Radiology - Florida State Uni-

versity School of Medicine

Dr. Felsberg is regarded as one of the foremost authorities in the field of neuroradiology. He has lectured and written extensively on a myriad of neuroradiology topics. He coauthored several texts and book chapters and has published more than 50 peer-reviewed articles and abstracts. Dr. Felsberg is a senior member of the American Society of Neuroradiology (ASNR) and a member of the American Society of Head and Neck Radiology (ASHNR), the American Society of Pediatric Neuroradiology (ASPNR) and the American Society of Spine Radiology (ASSR).

Dr. Felsberg was one of the cofounders of NationalRad in 1999. In addition to serving as a neuroradiologist for NationalRad for many years, Dr. Felsberg has also held such positions as assistant professor of radiology at Duke University Medical Center in Durham, North Carolina, neuroradiologist at International Magnetic Imaging in Boca Raton, Florida, Neuroradiology section chief at Florida Radiology Associates in Orlando, Florida, chief medical officer of Florida Radiology Imaging in Lake Mary, Florida and chairman of the Department of Radiology of the Florida Hospital Campuses in and around Orlando, Florida. Dr. Felsberg has been awarded for his work and was the recipient of the Reed P. Rice, M.D. Award given by the Duke University Department of Radiology for teaching excellence by a faculty member. In addition, he has been named an Orlando Top Doc numerous times, including most recently in 2018.
